

**MGT, a Zodiac Aerospace authorized distributor**

Press Release

**Zodiac Aerospace & MGT are pleased to announce a strategic agreement for the worldwide distribution of landing gear conduit assemblies.**

This distribution agreement sets the stage for MGT, landing gear and hydraulic spares specialist, to introduce a new product line in their already vast portfolio of component spares; thus reinforcing their position as a global supplier of spare parts to the aviation industry.

The programs involved include Boeing 767 Series, Boeing 747, Bombardier CRJ Series, Bombardier Challenger and MD 11.

Inventory will be available from both MGT locations in USA and France

Olivier Mongenot, MGT's President said, "It's very exciting to partner with Zodiac Aerospace and accompany them in making their products more available worldwide. Distributing a strong and reputable brand such as Zodiac Aerospace will enable us to offer our customers an even wider range of high quality products with competitive pricing and availability. This is exactly what MGT is about".
